To Whom It May Concern:

**CERTIFICATE OF COMPLIANCE**

At **SEALS HQ** we are aware that the compliance of our products with international regulations is fundamental for our customers. Thus, we continually ensure that our products comply with current requirements and regulations in countries in which we have business dealings.

We hereby certify that the Base Material, PP (Polypropylene) & NY (Polyamide) used in the products manufactured by Seals HQ Pty Ltd conforms to the US Food & Drug Administration (FDA) as a food grade material.

Please be informed that our compliance to these regulations is based on the supporting confirmation and approval given to us by our raw material suppliers.

Please do not hesitate to contact us at [operations@sealshq.com.au](mailto:operations@sealshq.com.au) or your local Sales Representative if you require any further clarification

Regards,

*for* SEALS HQ PTY LTD
